

Product Data Sheet

Max Ultra 100 is a great tasting mega-multi liquid nutritional supplement containing over 100 vitamin & minerals, nutraceuticals, antioxidants and amino acids with extra high vitamin potency for the most active adult lifestyles.

†**Max Ultra 100** contains 100% Daily Value or greater of 12 essential vitamins, including 100% Daily Value (400 mcg) of Folic Acid. Some scientific evidence suggests that consumption of anti-oxidant vitamins may reduce the risk of certain forms of cancer.* 0.8 mg folic acid in a dietary supplement is more effective in reducing the risk of neural tube defects than a lower amount in foods in common form.** As part of a well-balanced diet that is low in saturated fat and cholesterol, Folic Acid, Vitamin B6 and Vitmain B12 may reduce the risk of vascular disease.***

†**Max Ultra 100** contains major, trace and ultra-trace minerals, more than 20 amino acids, including all 9 essential amino acids, and enhanced with CoQ10 and Grape Seed Extract. Additionally, aloe vera provides the health benefits of this amazing botanical. The aloe vera (Barbadensis Miller) **Max Ultra 100** is highly concentrated (200:1) and derived from the inner fillet of the plant. The Barbadensis Miller genus and species is believed to be the most potent and nutrient-rich form of all species of this botanical containing aloe polysaccharides and a wide range of other beneficial phytochemicals. Aloe vera has recently been shown in human clinical studies to enhance the absorption of essential nutrients by increasing the half-life of vitamins E, C, B12 and Oxygen Radical Absorbance Capacity (ORAC) in plasma, especially in the elderly. The aloe vera in **Max Ultra 100** is organic, kosher and International Aloe Science Council (IASC) certified.

Liquid nutrition absorbs rapidly and efficiently with no "pill fatigue" as liquid nutrition is ideal for those tired of swallowing handfuls of pills. **Max Ultra 100** supports overall well being and energy and is convenient, versatile and comes in a great tasting Tropical Medley flavor.

*FDA has determined that this evidence is limited and not conclusive.

**FDA does not endorse this claim. Public health authorities recommend that women consume 0.4 mg folic acid daily from fortified foods or dietary supplements or both to reduce the risk of neural tube defects.

***FDA evaluated the above claim and found that, while it is known that diets low in saturated fat and cholesterol reduce the risk of heart disease and other vascular diseases, the evidence in support of the above claim is inconclusive.

Size: Net Vol. 32 Fl. Oz. (950 ml)

Serving Size: One (1) Oz. (2 Tbsp.)

Servings Per Container: Thirty-two (32)

Flavor: Tropical Medley Flavor

KEY FEATURES

- Mega-Multi Liquid Nutrition
- Over 100 Vitamins / Minerals / Amino Acids / Antioxidants
- With CoQ10 & Grapeseed Extract
- Elite Formula that Supports Overall Well Being and Energy†
- Provides Aloe Vera for Enhanced Nutrient Bioavailability†
- Vegetarian Formula

KEY MESSAGES

- Comprehensive liquid multi containing over 100 vitamins, minerals, antioxidants, and amino acids with extra high vitamin potency.
- Each serving provides at least 100% Daily Value of folic acid, vitamin D and vitamin B12.
- Contains full-spectrum, liquid colloidal minerals comprised of major, trace and ultra-trace elements with the additional benefits of CoQ10 and grapeseed extract.
- Provides all 21 amino acids including the 9 essential amino acids. Also contains proline, citrulline, ornithine and taurine.
- Delivers a highly concentrated (200:1) aloe vera derived from the inner filet of the plant. The Barbadensis Miller genus and species is believed to be the most potent and nutrient-rich form of all the species containing aloe polysaccharides and a wide range of other beneficial phytochemicals. The aloe vera is certified by the IASC, Organic and Kosher.
- Aloe vera has recently been shown in human clinical studies to enhance the absorption of essential nutrients by increasing the half-life of vitamins E, C, B12 and Oxygen Radical Absorbance Capacity (ORAC) in plasma, especially in elderly.
